

BLOOMZ DESIGN HOUSE

2026 LOOKBOOK

WEDDINGS BY BLOOMZ FLOWERS & EVENTS CREATING YOUR BALI DREAM

All our flowers are designed and created at our atelier in Bali, our furnishings are sourced from our own boutique collections or artfully chosen from vendors. The aesthetic direction of lighting is also managed by our team. We house a huge inventory of beautiful accessories. We will guide you through the entire design process. Our goal is to make it effortless so you can focus on your day while we take care of the rest.

CREATING YOUR BALI DREAM IMAGINATION & INVENTION

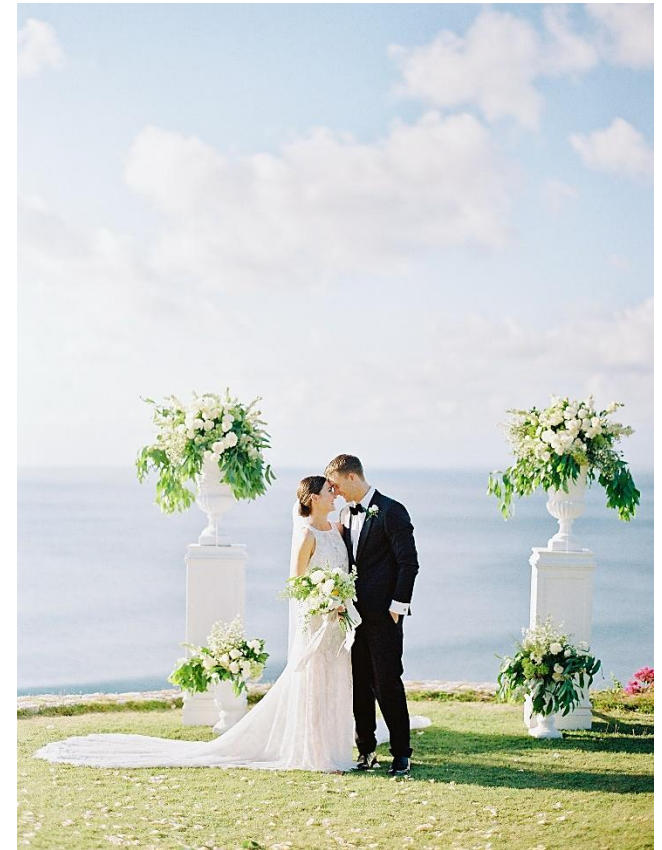

Our whole journey together will be a collaboration and I will take you through this journey to the completed vision. Our first step is the conception and design process. We will incorporate your inspirations and designs using imagery from a variety of sources which will represent our ideas. Working in tandem we refine our concepts to create your dream and vision. We develop the designs, create quotations and confirm budgeting. In this phase the blueprint for your event will be created. We execute a detailed design proposal and confirm the plan.

PRODUCTION & EXECUTION

This is the nuts and bolts, hammer and nail's part; it's setting the stage for the Day. We source, construct and customize items for your designs. Flowers that were ordered arrive and the fun begins. We manage every detail that will be executed by our production and onsite teams. Our professional care and direction ensures that all your dreams come to perfect fulfillment.

Each bridal bouquet is created for and inspired by the personality and uniqueness of each bride. Blooms, blossoms and foliage are both locally grown and imported based on your needs and preferences.

We are an award-winning company, known and respected by the wedding industry in Bali. For 19 years we have been a leader in style, reliability & innovation.

A wedding couple is shown from the back, standing under a large, cascading arch of white roses and baby's breath. The bride is wearing a white lace dress and a long veil, and the groom is in a dark tuxedo with a white shirt and black bow tie. They are looking at each other. The background is a bright, hazy outdoor setting, possibly a beach or a park. The text "A UNIQUE STORY IS WOVEN THROUGHOUT EACH WEDDING WE DESIGN" is written in a clean, sans-serif font in the upper right corner. BLOOMZ FLOWERS & EVENTS BALI

ABOUT BLOOMZ

Janice Lee Ripley opened Bloomz' doors on December 18, 2006 in Ubud, Bali to the festivities of a block party attended by friends and well wishers.

Janice's passion for flowers, décor and details is the driving force behind her creation of Bloomz in Bali. This artisan endeavor first took root in San Francisco, California, where Janice's innate talent in floral design brought her to the attention of Fioradella the "go to" design house for events in Northern California. Janice fashioned impressive floral designs for society weddings, museum openings, and holiday celebrations. Clients included Martha Stewart, the San Francisco Symphony and the San Francisco Museum of Modern Art among others. Janice has a Masters degree in Fine Arts from the San Francisco Art Institute.

Her creative ability to conceptualize and implement breathtaking events has made her and Bloomz style icons in the world of Bali Weddings. With her artistic flair Janice brings to life each unique event design concept combining originality, beauty and drama. For almost two decades Janice has drawn on her vast experience to create some of Bali's most memorable Wedding Events. To date Bloomz has designed, created & produced over 1,250 weddings and events in Bali and beyond.
